## PRE-PRODUCTION SERVICES

## DESCRIPTION

When you purchase a new or regenerated Galdi machine, we support you during the installation and start-up phases. These activities are very important to guarantee a quick and efficient time to market and ensure outstanding quality and performance during all filling operations.

Installation: Supervision during unpacking, positioning, mounting, connection to utilities, assembly and machine preparation;

Start-up: Start-up of the machine and testing of mechanical and electrical functioning;

Testing of general functioning with cartons;

Commissioning: Validation of the machine's operations and utilities, product filling tests and verification of the container packaging quality.

## ADVANTAGES

SHORT TIME TO MARKET

REDUCED RISK

GUARANTEED PERFORMANCE
